

Special Dog is a complete range of products for every kind of requirements. The kibble is complete, balanced and of excellent quality. It contains meat, chicken and fresh fish with the addition of Yucca Schidigera able to reduce the odour of dog faeces, as well as beet pulp and FOS to aid intestinal flora. The paté and larger wet bites come in a variety of flavours, including 100% single-protein. All recipes are colouring and preservative-free.

Special Dog products are available in all the best supermarkets and hypermarkets.

MONOPROTEINIC PATÉ WITH DEER

For the preparation of monoproteinic paté it's used only one type of meat in any recipe, thinking to the needs of those animals intolerant to other types of meat, in this case deer of superlative quality. This product is able to meet the dietary requirements of the most demanding dogs, it's gluten free, tasty, softy and very digestible.
