

ADULT – HYPO WITH SALMON AND TUNA

COMPLETE DIETETIC FEED FOR ADULT DOGS OF EVERY SIZE

Monge Natural Superpremium Hypo with Salmon and Tuna is a complete dietetic feed for adult dogs of every size, formulated for reduction of ingredient and nutrient intolerances with a selected carbohydrate source (rice). The well-being of your dog is guaranteed thanks to its very high-quality nutrients, which are the result of Made in Italy research. Rich in fish and with Xylo-oligosaccharides (XOS), last generation of prebiotics for the intestinal wellness. The formulation is characterized by essential fatty acids to support the skin and coat.
