ANCHOVIES

Monge Natural Superpremium BWild Low Grain Adult Cat Anchovies is a complete and balanced pet food for adult cat. The high protein content of anchovies guarantees a balanced diet, following the natural instinct of your animals. It has a low grain* intake and does not contain potatoes. The linseed, source of fatty acids omega-3, supports a soft and shiny coat. The delicious taste is also enhanced by carrots. The recipe is enriched with XOS (Xylo-oligosaccharide), last generation of prebiotics, which keep the intestinal wellness. The specific recipe ensures the animal's well-being and respects its natural instinct. No added dyes and artificial preservatives.

* Compared to standard product (Lechat Excellence Adult Chicken)
