COMPLETE PET FOOD FOR ADULT CATS

Monge Natural Superpremium Adult Cat Light Turkey is a complete and balanced pet food for adult cats. Specially formulated to maintain ideal body weight thanks to the low fat content* and L-carnitine to support lean mass. The first ingredient is turkey and the formulation is enriched with Xylo-oligosaccharides (XOS), prebiotics to support intestinal wellness. The inclusion of select ingredients, such as rose hip with antioxidant compounds to neutralize free radicals, and yucca schidigera to limit intestinal odours, is the result of Made in Italy research to support the quality of our cat's life. No added dyes and artificial preservatives.
