

Monge®

EASY GREEN

VEGETAL LITTER FOR CATS

- Easy Green is the new litter by Monge for cats, ferrets and reptiles.
- Easy Green litter is made from special highly absorbing and clumping plant fibers.
- Easy Green, thanks to the particular active ingredients of vegetable origin, inhibits the formation of the ammonia that causes unpleasant odors.
- Easy Green does not scratch floors or damage carpets or rugs, it is light, easy for transport and disposal.
- It contains no silicon or dusts.

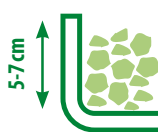

ULTRA CLUMPING
Effective: highly absorbing and ultra clumping

POWDER FREE
The litter is dust-free and thus suitable for kittens.

ODOR STOP
Inhibits the creation of the unpleasant odors

WASTE INTO THE WC
Can be disposed in the toilet or compost heap

EASY TRANSPORT AND DISPOSAL

Flushable in small quantities.

3,5kg
