

Monge® EASY GREEN

VEGETAL LITTER FOR CATS

100% ITALIAN CORN WITH ACTIVATED CARBON

- Easy Green 100% corn is the new plant-based cat litter.
- It's made using solely 100% ITALIAN corn.
- It has the distinctive feature of being "soft touch": It is actually pleasant to the cat's touch.
- It's clumping: the "ball" created by the cat's urine can be picked up in just a few seconds
- Does not release dust, so it is suitable for kittens.
- Has been enhanced with activated carbon which reduces odors effectively.

ULTRA CLUMPING

Effective: highly absorbing and ultra clumping

POWDER FREE

The litter is dust-free and thus suitable for kittens.

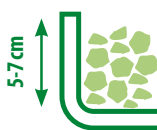

ODOR STOP

Inhibits the creation of the unpleasant odors

WASTE INTO THE WC

Can be disposed in the toilet or compost heap
