References designed to meet their optimal nutritional needs at specific age or physiologic state. The perfect ingredients for fussy cats.

ADULT • CHUNKIES IN JELLY RICH IN LAMB

Complete pet food for cats developed specifically to delight the palate of our 4-legged friends. Chunks in jelly characterized by firm texture and a pleasant aroma typical of cooked meat. New Zealand lamb, the main source of animal protein, is delicate and characterized by high nutritional value and effective in improving intestinal digestion. The salmon oil is rich in omega-3 fatty acids, with beneficial effects on coat and skin shine. The recipe is also formulated without the use of cereals.

COMPOSITION

Meat and animal derivatives (new zealand lamb 35% and rabbit meat 10%), oils and fat (salmon oil 2%), vegetables (potatoes), minerals, milk protein powder.
