

ADULT - RABBIT

COMPLETE PET FOOD FOR ADULT CATS

Mongee Natural Superpremium Monoprotein* Adult Cat Rabbit is a complete and balanced pet food for adult cats. A monoprotein product formulated with a single animal protein source*, the first ingredient is rabbit, and it is characterised by its digestibility and palatability due to the inclusion of fresh meat. The formulation is enriched with XOS (Xylo-oligosaccharides), next generation prebiotics to support intestinal wellness. The inclusion of select ingredients, such as vitamin E to support immune system, and yucca schidigera to limit intestinal odours, is the result of Made in Italy research to support the quality of our cat's life. No added dyes and artificial preservatives.
