FILLED AND CRUNCHY

ADULT • FUSSY CAT WITH PORK AND CHEESE

MONGE GIFT FUSSY CAT WITH PORK AND CHEESE is a complementary pet food for adult cats. Specifically developed for the well-being of your cat thanks to an external crunchy layer to support dental hygiene and a soft cheese filling to stimulate the most sophisticated palates. A product formulated without cereals and with pork to optimise food palatability and digestibility. The formulation is enriched with taurine to support visual acuity and a regular heart function and with vitamins for daily vitality. The inclusion of functional ingredients, such as brewer's yeast to support the body's defense system, and salmon oil, a source of omega 3, is the result of Made in Italy research. No added artificial preservatives and sugars.
