MINI ADULT SALMON WITH SAGE

MONGE GIFT MINI DOG SALMON WITH SAGE is a complementary pet food for adult mini-size dogs. Specifically developed for the well-being of your dog thanks to the inclusion of vegetable fiber for a greater texture elasticity and to support chewing. A product formulated without cereals and with a single animal protein source*, salmon, a precious source of highly digestible and biological value proteins. The formulation is enriched with vitamin C for oral health and is characterised by a low-fat content** to maintain an ideal body weight. The inclusion of botanical ingredients, such as sage useful for oral hygiene, is the result of Made in Italy research to support the quality of our dogs' life. No added artificial dyes and sugars.
