**COMPLEMENTARY PET FOOD
FOR STERILISED ADULT CATS**

FILLED AND CRUNCHY

ADULT • STERILISED WITH DUCK AND CRANBERRIES

MONGE GIFT STERILISED CAT WITH DUCK AND CRANBERRIES is a complementary pet food for sterilised adult cats. Specifically developed for the well-being of your cat thanks to an external crunchy layer to support dental hygiene and a soft cranberry filling for urinary tract support. A product formulated without cereals and with duck to optimise food palatability and digestibility. The formulation is enriched with taurine to support visual acuity and a regular heart function and with vitamins for daily vitality. The inclusion of functional ingredients, such as cranberries to support the urinary tract, brewer's yeast to support the body's defense system, and salmon oil, a source of omega 3, is the result of Made in Italy research. No added artificial preservatives and sugars.

COMPOSITION: Potatoes, dried duck (10% equal to 25% of fresh duck), dried salmon, peas, animal fat (purified at 99.5%), dried cranberries (2%), hydrolysed animal proteins (liver), fish oil (salmon oil 0.5%), inactivated brewers' yeast (0.5%), minerals.

ANALYTICAL CONSTITUENTS: Crude Protein: 25%, Crude Fibre: 1.5%, Crude Fat: 20%, Crude Ash: 7%, Sodium: 0.6%, Potassium: 0.7%, Phosphorous: 0.9%, n-3 Fatty Acids: 0.7%, Metabolisable Energy: 3923 kcal/kg.

ADDITIVES: NUTRITIONAL ADDITIVES/kg: Vitamin A (Retinyl Acetate) 9,000 IU, Vitamin D3 630 IU, Vitamin E (all-rac-alpha-tocopheryl-acetate 3a700i) 90 mg, Taurine 1000 mg. TECHNOLOGICAL ADDITIVES: Antioxidants: Tocopherol extracts from vegetable oils.

INSTRUCTIONS FOR USE: Recommended daily feeding intakes for adult cat of 5 kg: up to 15 pieces per day. Complete and adjust the daily intake with complete pet food. After opening consume within 4 weeks. Fresh and clean water should be available at all times. Cat food only, not suitable for human consumption.
