

STERILISED PATÉ BUFFALO

MONGE MONOPROTEIN* PATÉ BUFFALO is a complete pet food for sterilised adult cats. High product quality is guaranteed by carefully studying and selecting each specific raw material used in each recipe. Each recipe is a real delight for cats with meats, minerals and vitamins chosen to ensure a complete balanced diet. Delicious paté *formulated with a single animal protein source, buffalo, and a single carbohydrate source, potato. The recipe is formulated to provide reduced fat content** and pea fibre, which is a natural source of insoluble fibre that helps maintain the cat's slender body shape. Free from coloring agents, preservatives or added sugars.

**Compared to standard product (Monge Natural Superpremium adult cat Monoprotein Turkey)

COMPOSITION: buffalo (60%), buffalo broth, potato (4%), yeast products (2%), minerals, pea fibre (0.5%), yucca schidigera (0.025%).
